

FEDERAL CAPABILITY STATEMENT

SOLUTIONS
FOR A STRONGER
TOMORROW

Defense equipment supply | Systems integration |
Unmanned & maritime systems | U.S. localization

DDTC REGISTERED: BROKER K-9678 | EXPORTER M52606

MISSION FOCUSED.
PARTNER DRIVEN.
REAL WORLD IMPACT.

Imperium Defense Group LLC (IDG)

U.S. small business defense supplier and systems integrator supporting federal and allied government requirements. IDG sources and integrates equipment, platforms, sensors and mission systems, and works with technology owners and industrial partners on testing, adaptation, localization and domestic production.

CORE CAPABILITIES

- 

Defense Trade & Supply

Vehicles, communications, surveillance equipment, field infrastructure, medical/support equipment, spare parts and related logistics.
- 

Systems Integration

Platforms, sensors, communications, payloads and operator tools integrated around the mission requirement.
- 

Maritime & Unmanned

Crewed and uncrewed vessels, USVs, remote platforms, mission payloads, autonomy and communications integration.
- 

ISR, Counter-UAS & Detection

Optical, infrared, radar, acoustic and complementary sensing for surveillance, assessment and drone detection.
- 

Underwater & Port Security

Acoustic sensing, diver/UUV detection, subsea monitoring and infrastructure protection.

CONTRACTING DATA

LEGAL NAME	Imperium Defense Group LLC
CAGE	19NP1
UEI	CZ8KW1XYBV76
SAM.GOV	Active
PRIMARY NAICS	423990
BUSINESS TYPE	U.S. Small Business
DDTC BROKER	K-9678
DDTC EXPORTER	M52606
DDTC EXPIRES	30 Nov 2026

KEY DIFFERENTIATORS

- Manufacturer-neutral**
Qualified technologies selected around the mission requirement.
- U.S. + European access**
U.S. customer interface with engineering and supplier access through La Spezia.
- Localization support**
Testing, licensing, engineering adaptation, demonstrations and U.S. production pathways.
